based in Succasunna, NJ, named Remodeler of the Year**

SUCCASUNNA, NJ (December 15, 2022) – **Donald J. Dyrness, owner of Main Street Custom Homes & Remodeling, LLC (MSCH&R)** was named **2022 Remodeler of the Year** by the **Metropolitan Builders & Contractors Association of New Jersey (MetroBCA)**. The award was presented to Mr. Dyrness during MetroBCA’s **Installation of 2023 Officers & Directors Holiday Party** held at the Bridgewater Manor in Bridgewater, NJ on Thursday, December 15th from 6:00-9:00 PM. According to the organization, this award is presented each year to recognize one MetroBCA builder member in the specific area of remodeling, whose work is an outstanding example of building and remodeling.

“I am honored, as there are so many talented members,” said Mr. Dyrness.

This past year has been an exciting year for Mr. Dyrness. In December 2021, he was appointed as a member of Metro’s Board of Directors. He also serves as co-chair of the Remodeler’s Council. This past June, Mr. Dyrness was presented with an award for Best Custom Single Family Home for a beautiful lake front home in Sussex County. He takes great pride in collaborating with his peers during in person networking events and over zoom meetings. Every project no matter the size is given the same level of detail and attention.

Mr. Dyrness became involved in the construction industry at an early age, helping his father, Dan Dyrness, on job sites and learning the trade from the ground up. Upon earning his degree in chemical engineering, Don returned to his roots, building a career constructing custom homes, additions and remodeling projects for over 30 years.
